

Qualification Table for WRO International Final 2025

This table shows how many teams a National Organizer can qualify for the WRO International Final in the 2025 season. Make sure you inform your community about the right numbers.

PLEASE NOTE THAT THE TABLE IS DIFFERENT THAN IN 2024!

RoboMission - Elementary teams in your country	Entries for Elementary 2025
5-99	1 or
100-224	2 or
225+	3

RoboMission - Junior teams in your country	Entries for Junior 2025
5-99	1 or
100-224	2 or
225+	3

RoboMission - Senior teams in your country	Entries for Senior 2025
5-99	1 or
100-224	2 or
225+	3

RoboSports teams in your country	Entries 2025
5-39	1
40+	2

Future Innovators teams in your country (all age groups combined)	Entries 2025 (free choice of age group)
5-19	1 or
20-44	2 or
45+	3

Future Engineers teams in your country	Entries 2025 (note: one age group, 14-22)
5-39	1
40+	2

Note: A National Organizer can always qualify less teams than allowed. Only in special circumstances WRO can make an exception to allow more teams than allowed. A National Organizer can only request such an exception following the official procedure, and no later than 31st of July in a season. (See: "Procedure-Requesting-extra-slot-International-Final_2025")

Note: we can only accept these numbers of teams at the international final if countries also make an effort to bring judges to the event. Countries that want to bring a 2nd team in RoboSports and/or Future Engineers are required to propose at least one qualified judge in these categories to avoid that we are short on judges.
