## WRO Future Innovators Category Level 1 Virtual Championship Free Team Registration

In WRO India Season 2024, school teams can participate for free. They will be exempt from paying the registration fees for one team in the World Robot Olympiad. This exemption is valid for the Future Innovators competition category only.

A team shall be considered a school team only if all the students and the mentor are from the same school.

### Steps to follow for Free Team Registration:

- Download the Free School Team Registration Template for Guidance.
- Use your School Letter Head and the content from the template and fill in the details requested within the square brackets.
- Stamped and sign the letter by the School Principal/Director.
- Send the completed application to [wro@indiastemfoundation.org](mailto:wro@indiastemfoundation.org)
- Receive the coupon after the verification details email within 3 working days.
- Apply coupon on the WRO Registration Portal and complete the process to get your Team Number
