WRO Future Innovators Category Level 1 Virtual Championship Free Team Registration

Note: This year, schools registering two or more teams will enjoy a special incentive: waiver of the registration fee for the second team. This exemption is valid for the future innovators category only. A team shall be considered eligible for this offer only if all the students and their mentor are from the same school.

Steps to follow for Free Team Registration:

- Download the Free School Team Registration Template for Guidance.
- Use your School Letter Head and the content from the template and fill in the details requested within the square brackets.
- Stamped and sign the letter by the School Principal/Director.
- Send the completed application to wro@indiastemfoundation.org
- Receive the coupon after the verification details email within 3 working days.
- Apply coupon on the WRO Registration Portal and complete the process to get your Team Number
