Update – Team Configuration Rules Season 2024

As per the rules of the competition, the following is essential:

- A team consists of 2 or 3 students.
- A team is guided by a coach.
- 1 team member and 1 coach are not considered a team and cannot participate.
- A student may only participate in one team.
- The minimum age of a coach at an international event is 18 years old.
- Coaches may work with more than one team.
- The age groups in Future Innovators competitions are:
 - Elementary: students 8-12 years old (in season 2024: born years 2012-2016)
 - Junior: students 11-15 years old (in season 2024: born years 2009-2013)
 - Senior: students 14-19 years old (in season 2024: born years 2005-2010)
- The maximum age indicated represents the age that the participant turns in the calendar year of the competition, not his/her age on the competition day.

Teams which are not as per the above, even though are in the national ranking are required to update the details by Tuesday 9 July 2024 11:59pm. Otherwise, they will not be able to participate in the regionals.
