WRO Future Innovators Category Virtual Championship Free Team Registration

Note: This year, each school is eligible for **one free team registration** under the **Future Innovators Category**. There is no requirement to register multiple teams to avail the free registration benefit. However, if additional teams are registered from the same school, the standard registration fee will apply for each of those teams.

Download the Free School Team Registration Template for Guidance.

- Use your School Letter Head and the content from the template and fill in the details requested within the square brackets.
- Stamped and sign the letter by the School Principal/Director.
- Send the completed application to wro@indiastemfoundation.org
- After verification, the admin will activate your team within 3 working days, and you will be notified via email.
